Join SDG Watch Europe and discuss its 2020 SDG monitoring report ***Time to reach for the moon. The EU needs to step up action and lead the transformation to sustainability.*** The event on the 5<sup>th</sup> anniversary of the 2030 Agenda and the SDGs will focus on the shortcomings of the current SDG monitoring framework. Together with policymakers and SDG experts from civil society we will discuss the suggestions for a transparent, participatory and inclusive SDG monitoring cycle for the EU. We will give space to voices from the EU and beyond sharing their stories on the EU and its SDG ambition.

A detailed agenda will be circulated with the invitation in the coming days.

This event has been organised with the financial assistance of the European Union. The contents shared during the event are the sole responsibility of the speakers and participants and can under no circumstances be taken as reflecting the position of the European Union.
